

now is the time for....

Modern Positivity

We can lift the human spirit if we believe in ourselves and have faith in others.

Live to inspire... dream.

Rejoice in success .

Spread hope and peace.

Live, Laugh, and Love.

Items pictured above are sterling silver, Swarovski crystals and pewter. Other items pictured are gemstones, precious metals, pearls and other materials. All jewelry is handmade.

a new attitude in design....

The future has so much to offer and each individual has something extraordinary to give.

Perla Jewels is introducing a new line of inspirational jewelry "Modern Positivity" as a way to spread a message of hope, faith and love in this new era of change.

All Perla Jewels are exquisitely handmade, original pieces of designer Joyce H. Lee who strives to capture emotion and the essence of life in her jewelry through form, texture and color.
